

Item P16-1156

Access Tile Surface Applied Tile

Surface Applied tile boasts the easiest, fastest, and most environmentally conscious installation and replacement in the industry. These Surface Applied ADA tiles can be retrofitted into any existing concrete surface, using a combination of surface applied adhesive, anchors, and stainless-steel pins. All of Access® Tile's tactile paving can be easily cut to conform to any shape, without voiding the product warranty. Tile geometry allows for consistent dome spacing between adjoining tiles. High density, diamond grip™ pyramid micro texture designed for exceptional slip resistance in wet and dry conditions. Access Tile is designed, tested, and manufactured in the USA.

Item	Description	Attributes
16-1156		Size: 1'x1' Color: Black
16-1157		Size: 1'x1' Color: Colonial Red
16-1158		Size: 1'x1' Color: Dark Gray
