Radians Class 2 High Visibility Safety T-Shirt with Max-Dri™ with Barton Malow logo

Class 2 Hi-Viz t-shirt with Max-Dri™ Moisture Wicking Mesh is made with an arid Birdseye Mesh allowing for maximum breathability, without compromising durability. The stripes are adhered by heat transfer rather than sewn on. The wicking properties improve hot weather comfort making it feel much cooler. Meets ANSI/ISEA 107-2010 Standards. Colors: Hi-Vis Green and Orange.
