

Item P11-6230

Ridgid No. 246 Soil Pipe Cutter

High mechanical advantage gives this cutter plenty of power to cut all 1-1/2" thru 6" clay, cast iron, asbestos, cement pipe and through Class 22 4" water main. Since ratchet action parallels pipe, pipe becomes second lever and helper as well. Hand guard protects operator's knuckles at time of cut. Made of all alloy, heat-treated steel, all parts are plated or painted. Will not corrode. Threaded parts are sealed to keep dirt and moisture out.
