

Item P43-0155

Safegate Manhole Guard

Great for protecting any area requiring temporary restriction of access. Ideal for utility work. Nonconductive (dielectric), no metal used. Great for protecting any area requiring temporary restriction of access. Hinged clips make it easy to configure sections into rectangles of various sizes with a locking clamp to be used for straight sections. Folds up easily for storage and sets up quickly. Carry handles for transport. Color: yellow.
