

Item P14-0339
Sayflite™ Horizontal Lifeline System

This complete kit comes in its own carrying bag and is easily installed with no special tools and equipment. The system is lightweight (12 lbs.) and extremely portable allowing you to move it and reuse it over and over again. The kit comes complete with a 60' long kernmantle rope lifeline assembly with a tensioning device. Two tie-off adapters are also included to anchor the system to the structure. **Capacity of 2 workers.** Manufactured by DBI/SALA.

Item	Description	Attributes
14-0339	60 ft. Horizontal Lifeline Kit	
14-0343	100 ft. Horizontal Lifeline Kit	

The Sayflite™ Horizontal Lifeline System is also available in other lifeline lengths. Ask your Colony representative for a complete listing of sizes.
