

Item P12-1758

Skil 7 1/4" Economy Circular Saw

Economically priced circular saw. 14 amp motor with safety lock/guarded trigger minimizes accidental start. The integrated dust blower keeps the line of cut sawdust free so you can get the job done easily and accurately. The 51 degree bevel, with positive stop at 45 degree, gives you a wider variety of angle and miter cuts. Spindle lock to assist in easy blade changes. **Includes 20 Tooth Carbide Blade and blade wrench.**
