

**Item P95-6304**

**Smart DI+™ Drop-In Anchor**

**Base Material:** Solid Concrete, Hard Stone, and Solid Block Base Material

**Size Range:** 1/4" to 3/4" Standard Thread

**Anchor Material:** Carbon Steel

The Smart DI+ is an all-steel, machine bolt anchor available in carbon steel. It can be used in solid concrete, hard stone, and solid block base materials. The Smart DI+ is specifically designed to be easier to fully set during installation reducing the amount of hammer blows when setting by approximately 25% compared to competitive brands.
