

**Item P14-7850**

**TenActiv™ Waterproof Glove**

This waterproof glove provides a high level of warmth with minimal bulk, thanks to an acrylic terry liner that keeps hands warm in temperatures down to -10°C / 14°F. The combination of a nitrile palm coating and a laminated waterproof membrane optimizes these gloves for handling soaked or oil-slicked parts. Their TenActiv™ knit assures ANSI Level A4 cut protection, a reinforced thumb crotch extends the lifespan by reducing wear in high-stress areas. **Meets ANSI Cut Level A4 standards.**
