Item P15-1511

Threaded Rod Hanger

This fastener used with a powder actuated gun is a more efficient alternative to using drop-in style anchors that require drilling and setting. Consists of a 1" **long** PowerPoint Ramset Fastener preassembled to a 16 gauge threaded rod hanger. PowerPoint Fasteners are premium quality pins designed to penetrate hard steel and hard concrete. 100 per box.

Fits Ramset Models
