

**Item P10-2852**

**Ariens 28" 2-Stage Snow Thrower**

Ariens Deluxe Two-Stage gas snow blower features a 28" clearing width. 254Cc engine offers the power and performance to take on the toughest winters and starts easily with the push of a button. 14" Steel auger allows you to move fast and efficiently through snow. Self-propelled drive with six forward and two reverse speeds and auto-turn steering provides precise, effortless control and versatility. 16" Directional tires offer superior traction for easy maneuverability. In-dash headlight provides visibility in low-light conditions, and skid shoes make it easy to use on unpaved surfaces. Dual-handle interlock system maintains operator safety while allowing for easy chute and speed adjustments. All-steel construction and heavy-duty top-loaded, cast-iron gear case provide durability and longevity.
