

**Item P12-1135**

**Auto Ranging Digital Multimeter**

Multi-purpose digital multimeter with large, easy to read display measures AC/DC voltage, frequency, capacitance, duty cycle and temperature. Diode and continuity tests. Replaceable fuses for easy field repair. Automatic power off feature. Manual and auto-range. Manufactured by Greenlee.

Specifications	
Voltage Measurement	AC Volts: 600, DC Volts: 600
Amperage Measurement	10 amp AC / DC
Resistance Measurement	40M OHM
Temperature Measurement	Type K Thermocouple -40 to 399 F
Measurement Category	CAT III 600 V
