Barricade Safety Fence

Woven polypropylene fabric fence that is flexible and lightweight, yet very strong. Thirteen extruded solid bands make this fence highly visible and resilient. (The fabric weighs only 14 lbs. for a 4' x 150' roll.) Easy to install even on irregularly contoured land or over existing obstacles. Available in high visibility orange in 4' x 150' rolls without posts, or in 4' x 100' rolls with eleven 1" x 2" x 5' posts that are pre-attached.
