

Item P10-1560

Bosch 1-9/16" SDS-max® Combination Hammer

SDS-max Bit System for tool-free bit changes with automatic bit locking, dust protection and maximum impact energy transfer rate. Impact energy of 6.1 ft. lbs provides maximum productivity in all day drilling and chiseling applications. Combination Dual Mode Selector Knob allows selection between hammer drilling and chiseling only. Vario-Lock Positioning rotates and locks chisel into 12 different positions to optimize working angle. Variable Speed Dial for controlled drilling and chiseling applications. **Includes: 1-9/16" SDS-max Combination Hammer, auxiliary handle and carrying case.**
