

Item P11-8288

Bosch 10" Worksite Table Saw with Gravity-Rise Wheeled Stand

Powerful 15-Amp saw delivers 4.0 max HP for outstanding productivity. It also incorporates soft-start circuitry for smooth but quick ramp-up to the operating speed. It includes Constant Response circuitry to help maintain speed under load, restart protection to avoid accidental startup and overload protection. The SquareLock rip fence is engineered for maximum trueness and great ease-of-use. It includes an enhanced auxiliary fence for narrow workpieces. The lighter Gravity-Rise Wheeled Stand has 8" treaded rubber-composite tires and a single-action design for easy set-up and transport. Smart Guard System features a three-position adjustable riving knife, anti-kickback pawls and non-obstructed-view barrier guard assembly. The table saw provides a 30" x 22-1/2" tabletop with a 30" rip capacity for ripping 4' wide sheets goods in half. **Includes: 10" carbide-tipped blade, squarelock rip fence, auxiliary fence, miter gauge, push stick, multi-function blade wrench, and adjustment wrench.**

Specifications
