Bosch 18V EC Brushless 1-1/4' Stroke Multi-Grip Reciprocating Saw Kit

Bosch 18V EC Brushless 1.25"-Stroke Multi-Grip Reciprocating Saw Kit features the first cordless recip saw with orbital and non-orbital sawing action for superior cutting in materials from wood to metal. The GSA18V-125 recip saw has an innovative and balanced angled-motor design, an efficient EC Brushless 18V motor and corded-like power. Its three orbital settings (0-1-2) allow optimized cutting in all types of materials. The saw delivers 0-2,500 strokes per minute at a labor-saving 1.25" per stroke. For comfort, it has integrated Vibration Control counterbalance technology to limit vibration, a long, easily reachable variable-speed trigger switch and a tool-less blade-change system. **Kit Includes: CORE18V Lithium-Ion 6.3 Ah Battery, 18V fast charger, (2) 6 in. bi-metal reciprocating saw blades, carrying case.**

Specifications	
Voltage	18V
No Load SPM	0-2,500
Length	19.0"
Weight	7.7 lbs.
