Bosch 18V EC Brushless 1/4 In. and 1/2 In. Socket-Ready Impact Driver Kit

The Bosch IDH182-02 18V Brushless 1/4 In. and 1/2 In. Socket-Ready Impact Driver allows users to enjoy flexibility on the job, with the Socket-Ready adapter that has a 1/4 In. hex and 1/2 In. square drive in one tool. A Performance Control System gives users the option of three speed and torque settings for maximum effectiveness. The tool is powered by a hassle-free EC brushless motor. **Kit Includes: (2) 18V Lithium-Ion 2.0 Ah SlimPack Batteries, 18V charger, double-ended bit, belt clip, carrying bag.**
