

Item P10-2302

Bosch 18V EC Brushless Brute Tough™ 1/2 In. Hammer Drill/Driver Kit

The HDH183's KickBack Control automatically shuts the tool down when a torque reaction occurs in a bind-up scenario. The hammer drill has a 25+1 precision clutch, an upgraded all-metal chuck, and an EC Brushless motor that delivers up to 663 In.-Lbs. of torque. Each CORE18V battery uses next-gen Li-Ion technology to produce 80% more power than previous gen batteries. **Kit Includes: (2) CORE18V batteries, 18V fast charger, auxiliary handle, magnetic bit holder, drill bit, belt clip, carrying bag.**
