

Item P10-1862

Bosch 4-1/2" Angle Grinder w/ No Lock-On Paddle Switch

Bosch 4-1/2" ergonomic angle grinder features a narrow grip zone for all-day comfort and control, combined with a powerful 10-amp motor producing up to 11,000 no-load rpm for maximum productivity in grinding and cutting applications. The tool weighs 4.6 Lbs. It features a multi-grip paddle switch, which provides increased grip options for better ergonomics, comfort and control. The paddle switch has a no-lock-on feature that shuts the motor off after the switch is released. Equipped with epoxy-coated field windings, double-sealed bearings and direct-motor cooling. An anti-vibration side handle and an adjustable tool-free guard with multiple fixed-adjustment settings to allow the user to position the guard in a variety of working angles. **Includes: anti-vibration auxiliary handle, wheel guard, flange kit, and spanner wrench.**
