**Bosch 5" Angle Grinder Variable Speed with Paddle Switch**

Bosch 5" Angle Grinder with Paddle Switch is a beefy angle grinder that provides a no-lock multi-grip paddle switch for user control and comfort. This grinder delivers 13 amps and up to 11,500 rpm of professional power. It has a lower variable-speed setting at 2,800 rpm – allowing the user to match speed to application. The paddle switch provides additional operator control. The tool is designed for long life, featuring directed air flow that diverts dust away from vital components. It is equipped with a two-position Vibration Control™ side handle, making it less strenuous to operate. Includes: backing flange, lock nut, spanner wrench, grinding guard , and vibration control side handle.
