

Item P14-9042

14" Core Cut Masonry Saw

Available in both electric and gas models, this masonry saw with a 14" blade capacity is the best in its class. Cutting depth adjustment is safe and easy. The blade shaft and bearings are enclosed in a slurry and dust free compartment for long bearing life. For ease of transport, saw head removal is simple: just pull two locking pins and lift off head. Arbor diameter: 1". Maximum depth of cut: 5".
