Bosch Green-Beam Three-Point Self-Leveling Alignment Laser

Three-point, self-leveling laser with $\pm 1/8"$ accuracy @ 30' for up/down plumb, align and level applications. Green-beam technology is up to 4X brighter than standard red beams. Bosch-exclusive VisiMax™ technology delivers maximum beam brightness in most jobsite conditions. Integrated multipurpose laser mount features strong magnets that allow the user to mount the laser virtually anywhere. **Includes: built-in multipurpose mount, (2) AA batteries, and hard carrying case.**
