Bosch Power Box™ 360 with Digital Media

The Bosch Power Box™ PB360C jobsite radio/charger/digital media stereo features Bluetooth® technology to connect to the user's smart device (with a range of up to 150 Ft.) and stream Internet radio and stored music. This portable, high-performance, weather-resistant entertainment system delivers 360° enriched stereo sound. Its four-way speakers and a subwoofer provide outstanding sound quality in all directions. It is durable, with an aluminum/rubber roll cage and a weather-resistant design. The portable radio features a powered USB port. The Bosch Power Box™ can be powered by Bosch 18 V Lithium-Ion batteries or plugging into a 120 V outlet. Its built-in battery charger will charge the user's Lithium-Ion batteries as well. The PB360C also features four 120V power outlets for connecting tools or other devices.
