

Item P10-1561

Bosch SDS-Max® Demolition Hammer

Ergonomic Grip Area offers maximum comfort when chiseling in tight spaces or in a wide variety of positions. Variable speed trigger and variable speed dial for controlled chiseling applications. SDS-max® bit system offers tool free bit changes with automatic bit locking, dust protection and maximum impact energy transfer rate. Vario-Lock Positioning rotates and locks chisel into 12 different positions to optimize the working angle. Includes carrying case.
