

Item P29-0143

BruteLube Multi-Purpose Wax

Multipurpose cutting and tapping fluid in an easy to use wax form. Formulated to cling to your tools for a continuous shield against friction and heat, extending valuable life to your drill bits and taps. The consistency of this product is easier to use than fluids when drilling horizontally. BruteLube is particularly effective on stainless steel, aluminum, and other exotic alloys. 16 oz. container.
