

Item P22-0056

Cadweld Plus Impulse Exothermic Welding Control Unit

Enhanced power tool style grip is ergonomic and easy to hold. Self-closing trigger guard prevents accidental ignition, providing added safety. LED ignition counter provides instant feedback on the timing of the ignition and is visible in sunny outdoor conditions. Five second delay in ignition is a safety feature to allow the user to stop ignition, if necessary. Includes AA alkaline batteries to power approximately 600 connections. Easy-to-use alligator clip design of the termination clearly shows a positive connection in the viewing window
